Re: Notice of File Closure for Small Mining Activities, Little Gem 1 & 2 Project, S/023/038, Juab County, Utah

Dear Mr. Park:

This letter is to notify you that the file, S/023/038, for the Little Gem 1 & 2 small mining project, located in Section 18, T14S, R2W, Juab County, Utah, will be retired from our files.

The BLM inspected this project site in 1995 and determined that no disturbance was performed and the BLM subsequently closed and retired their case file (UTU-072872). As your project is located on BLM managed lands, the Division will accept the BLM's recommendation and also close our file for this project accordingly. You are hereby released from any further mining or reclamation responsibilities at this site. You will not have to pay the \$100.00 permit fee that was sent to you, nor will you have to submit an annual report for this project. If you plan to conduct any new mining activities in this area, you will need to submit the appropriate notice of intention prior to commencing any such activities.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5321.

Sincerely,

Tom Munson
Senior Reclamation Specialist
